

2004

J. Schreiber, J. Haueisen, J. Nenonen

A new method for choosing the regularization parameter in time-dependent inverse problems and its application to magnetocardiography

IEEE Trans. Magn. **40**, 1104 (2004)

2002

J. Haueisen, J. Schreiber, H. Brauer, T.R. Knosche

Dependence of the inverse solution accuracy in magnetocardiography on the boundary-element discretization

IEEE Trans. Magn. **38**, 1045 (2002)

2001

R. Bödefeld, J. Schreiber, H. Gessner, E. Welsch, W. Theobald, T. Feurer, R. Sauerbrey

Optical damage of sputtered gold films irradiated with femtosecond laser pulses

Laser-induced damage in optical materials: 2000, *SPIE-Proceedings* **4347** 45, (2001)
